

Wilhelmina Scholarship Textbook Foundation

Named in honor of his mother, Wilhelmina Pittman, Attorney Sean Pittman founded the Wilhelmina Foundation to provide college textbook scholarships to students across the state of Florida. While Sean attended Florida State University, he worked and received loans for tuition, but he always struggled to afford books. Recognizing that students still face these financial difficulties, Sean founded the Wilhelmina Foundation to provide textbook scholarships to hundreds of students that find themselves in similar need.

If you have any questions concerning the scholarship award or the application, please reach out to our organization at info@wilhelminafoundation.com or call (850) 216-1002.

Name: _____

Phone Number: _____
